I can do that. I just did not want to do it if you already had the emails.

Do you have email addresses for any of the people below? If so, can you please send them to me?

Subject: FW: Recycled Rubber Infill Producers

Hi Monica,

These are the major recycled rubber infill producers whose product is used in fields and playgrounds, according to the industry, with the appropriate contacts.

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

You might just want to focus on these companies instead of the large list, which we pulled from a directory of all scrap tire recyclers.
